

ACI CONCRETE FIELD TESTING TECHNICIAN GRADE I

Sponsored by: Pittsburgh Area Chapter – ACI

www.acipgh.com

This exam covers: ASTM C172-Sampling of Fresh Concrete, ASTM C143-Slump, ASTM C138-Unit Weight, ASTM C231-Air Content Pressure Method, ASTM C173-Air Content Volumetric Method, ASTM C31-Making and Curing Test Specimens and ASTM C1064-Temperature

Terms and Conditions – You must pre-register for this exam. You will receive confirmation of registration, directions to test site and study material by mail. Payment must accompany this form to secure a place in the session. Sessions are limited in size and registrants are scheduled on first come, first serve basis. You will be required to **PHYSICALLY** perform six of the seven ASTM standards. ACI Certification programs are ADA compliant. If you are unable to perform the procedures that make up the performance portion of the ACI Certification exam due to any disability, you **MUST** contact ACI Headquarters at **(248) 848-3790** prior to testing. The Pittsburgh Area Chapter of ACI is **NOT PERMITTED** to evaluate an individual's physical state on exam day. All requests are handled on a case-by-case basis and must be made allowing enough time for evaluation and appropriate action by ACI.

Cancellation Policy – Session may be cancelled or rescheduled by registrants up to **14** days prior to the session date without incurring any charges. Cancelling or rescheduling within 13 days of the session date will incur a \$200 fee. ***“NO REFUNDS WILL BE ISSUED FOR NO SHOWS AND/OR NO CALLS CANCELLING PRIOR TO THE CLASS DATE”.***

This is a two-day course. The first day is intended as a review of the testing procedures. The first ½ of day one will be spent reviewing for the written exam. Review for the performance exam will follow a lunch break. Participants are not required to attend the first day, but are strongly encouraged to do so. ACI International offers the review on-line at www.ACILearning.org. Applicants will have three months to access the on-line course before it expires. Registrants can choose to use this on-line training in addition to day one or in place of. Both the written and performance exams will be administered on day 2.
